SUMMARY

I'm a Computer Science student at GCTU and a software development graduate of GI-KASE. I build websites for local businesses as a freelancer and have worked with both front-end and back-end code. I'm currently taking cloud computing courses, and I use AI tools to get through my work faster. I work well in a team and like learning new things.

PROFESSIONAL EXPERIENCE

08/2026 – 09/2026
Accra,Ghana

Best Education Services Limited
Marketing Team Volunteer
- Built web pages linked to the official website.
- University exposition assistant.

02/2026 – 03/2026
Accra, Ghana

Open Labs Ghana
Technical Assistant Intern
- Built and deployed a digital registration system to transition from manual, paper-based administrative workflows.
- Developed a custom interactive quiz application from scratch as a technical deliverable during the internship period.
- Collaborated with team members to test, debug, and optimize application performance and user interfaces.

PROJECTS

08/2026 – 09/2026

Quick Balance Engineering Website
Full-Stack Commercial Website & Client Project

- Designed and developed a fully responsive commercial web platform for an electrical engineering and trading business.
- Implemented structured service grids, clear call-to-action buttons, and professional branding layout to optimize client engagement.
- Managed end-to-end development, ensuring mobile responsiveness, clean UI design, and cross-browser compatibility.

INTERESTS

Debating & Public Speaking
I enjoy discussing current affairs, exploring different viewpoints, and speaking in public.

Coding & Exploring New Technologies
I enjoy building websites, trying out different designs, and learning new ways to make them easier to use.

ORGANISATIONS

09/2026 – 09/2026
Accra, Ghana

Dreams Arise Ghana
Volunteering Team Facilitator & Media Team (Voluntary)

- Supervised volunteers by assigning roles and guiding them throughout the event.
- I joined the media team to shoot videos and take photos of the event.

DECLARATION

I hereby declare that all the information stated above is true and correct to the best of my knowledge and belief
